ABOUT THE CONFERENCE

The Multidisciplinary National Conference on the Role of Youth in Developing India aims to convene a diverse group of scholars, researchers, and experts to share knowledge, ideas, and innovations that can drive sustainable development and growth in India. The conference seeks to foster interdisciplinary research and collaboration, address complex problems and challenges facing the nation, promote innovation and entrepreneurship, and empower youth with knowledge. Skills and networking opportunities. By bringing together experts from various fields, the conference aims to identify innovative solutions to complex problems, develop collaborative research projects and initiatives and foster a culture of innovation and entrepreneurship. The role of youth in developing India is crucial and the conference aims to engage young minds in finding solutions to India's challenges, encourage youth-led, innovation and entrepreneurship, develop leadership and problem-solving skills among youth and provide a platform for youth to share ideas and research findings. By harnessing the energy, creativity and idealism of youth, the conference seeks to inspire and empower them to become change-makers and leaders who can drive positive change and development in India. Through this conference, we aim to shape a brighter future for India by promoting collaboration, innovation and youth empowerment.

OBJECTIVES OF CONFERENCE

To provide a platform where researchers and academicians from various disciplines can share their thoughts and views.

To highlight research works and pholosophies that can inform theory, practice & policy making.

To provide networking opportunities to the participants for better collarboration and sharing.

Best Research Paper Award :

Recognizing Excellence

We are happy to announce the Best Research Paper Award to be presented at the culmination of our national conference.

A distinguished panel of experts will meticulously evaluate all submitted research papers based on originality, significance, methodology and overall impact.

The winner will be announced at the conference's valedictory session.

Don't miss this opportunity to showcase your exceptional research!

Criteria for Choosing the Best Research Paper:

Research Quality:
Originality
Significance
Theoretical Framework
Research Methodology
Data Analysis

Paper Presentation:
Clarity and Coherence
Structure and Organization
Writing Quality
Visual Aids
Practical Implications
Contribution to the Field
Policy Relevance
